

## **ZAHER A. REDWAN**

**Environmental & Development Specialist | Sustainability Consultant | Community Empowerment Leader**

**Mobile :** +961 3 760 854 | **Email :** zaher.redwan@gmail.com

**Address:** Bldg. #50, 2nd Floor, Aley Al-Zouhour St, Mount Lebanon, Lebanon

### **PROFESSIONAL SUMMARY**

Accomplished management professional with over **30 years of expertise** in environmental conservation, rural development, and sustainability. Known for strategic leadership in biodiversity conservation, cultural heritage preservation, and community empowerment under three core pillars: **environment, heritage, and economy**.

As the **Founder and President of Green Hand Organization**, I have spearheaded globally recognized biodiversity initiatives, collaborated with international organizations like **IUCN, WHO, UNDP**, and **USAID**, and developed impactful strategies for sustainable livelihoods. Honored as an **ASHOKA Fellow (2013)** for innovative environmental and social enterprise solutions, I excel in policy advocacy, program management, and capacity building.

### **CORE COMPETENCIES**

- Biodiversity Conservation & Sustainable Development
- Strategic Program Planning & Implementation
- Rural Community Empowerment & Capacity Building
- Cultural Heritage Preservation & Economic Integration
- Public Relations, Advocacy & International Representation
- Alternative Learning & Environmental Education
- Project Development & Multi-Stakeholder Collaboration

### **CAREER ACHIEVEMENTS**

- **Founder of Green Hand Organization (GHO):** Built a globally recognized NGO for biodiversity conservation and rural development, with patented initiatives like the **Mobile Green Hand Botanical Garden (mGHBG)**.
- **International Collaborations:** Worked with leading organizations (UNDP, IUCN, WHO) to implement transformative projects in Lebanon and the region.
- **Chairman of IUCN Lebanon Committee (2014-2020):** Re-launched the national committee and hosted the first **West Asia Regional Biodiversity Forum**.

- **Innovation in Sustainability:** Awarded a **patent for mGHBG** and recognized as a finalist for the **MIT Pan-Arab Award (2018)**.
- **Craft and Cultural Heritage Leadership:** Established the **Syndicate of Lebanese Craftsmen & Authentic Producers**, empowering artisans through eco-friendly production models.

## PROFESSIONAL EXPERIENCE

### Green Hand Organization (GHO)

**Founder, President & Chairman of the Board** | 1999 – Present

- Designed and executed conservation strategies integrating biodiversity, cultural heritage, and economic development.
- Developed the **Mobile Green Hand Botanical Garden**, a patented tool for biodiversity research and education.
- Established facilities for sustainable packaging and product development, in partnership with international entities like **SIF (France)** and **GIZ (Germany)**.

### Authentic Aley – Development Strategy Framework

**Lead Consultant** | 2016 – Present

- Developed a comprehensive strategy integrating cultural heritage and biodiversity conservation to promote sustainable economic development in the Aley district, as a pilot for whole country.

Oversaw projects such as:

- **Authentic Aley Craft Center (AACC):** A landfill rehabilitation project funded by **UKAID** and implemented by **UNDP**.
- **Medicinal Edible Aromatic Plant Center (AAMEAC):** Advanced production and packaging center for local plants.

### Syndicate of Lebanese Craftsmen & Authentic Producers

**President** | 2015 – Present

- Empowered small producers and artisans to achieve sustainable livelihoods by promoting eco-friendly practices and access to markets.

### International Union for Conservation of Nature (IUCN)

**Chairman, Lebanon National Committee** | 2014 – 2020

- Facilitated multi-stakeholder collaborations and drove national biodiversity strategies.
- Organized the **West Asia Regional Biodiversity Forum**, fostering regional cooperation on conservation.

## **Baz Authentic Market - since 1945**

**Owner** | 1995 – Present

- A third generation Herbalist, Preserved and modernized Lebanon's cultural and biodiversity heritage through sustainable farming, herbal remedies, and eco-friendly production techniques.
